According to a report by SuperData Research, Roblox had an estimated 5.7 million monthly active users in 2021. The report states that their statistics were based on the call records of around 1 million Android users who are under 13 years old. In their report, the company estimated that 6% of their users were under 12 years old. The reported monthly active users also included those who played Roblox on a daily basis. Their estimate was 14% and they based this on the number of days that players spend playing Roblox on any day. In addition, the report also stated that 32% of their players were in North America and 29% were in Europe.

Roblox has been criticized for allowing children to have weapons in their games and for hosting violent games with weapons such as guns and knives. In 2021, the company announced that they would be implementing an age verification system for their games. As a result, on September 19, 2021, Roblox was one of the first services to implement this new feature.

ROBLOX has created a number of recurring events over the years. On October 23, 2021 Robotcrab had announced a new way for Roblox users to make money by selling virtual items in the Roblox catalog: the "Builders Club". Players use Roblox's in-game currency, called ROBUX, to purchase items which they can sell to other players.

In May 2021, it was reported that the company had over 300 million daily active players worldwide. This includes the users who are in moderation, which is approximately 95% of all players. In addition, based on their own estimates, they stated that over 50% of these players play Roblox daily.

ROBLOX also allows people to manipulate the games in an unfair way; they can do this by changing the difficulty level of a game or removing potential players from playing a game. They also can sell cheat codes on their website. This is similar to the "scams" created by advertisers in that they are selling cheats for an unfairly high price (such as \$2.50 USD) so that only people who pay will be able to use the code to cheat or hack the game. However, this is an unfair way of making money.

Hacking Roblox is not only limited to hacking a person's account by using someone else's information. There are also methods of hacking Roblox accounts that do not involve stealing another person's information. One of the more simple ways of hacking Roblox accounts is through DDoS attacks. An attacker uses a botnet and sends out requests for data on the target's server, causing it to become overwhelmed and crash. This can be done to any website, including Roblox.

Hacking Roblox is a problem that will always exist. This is because there are many different forms of hacking that are constantly evolving. One of the most common methods of hacking Roblox accounts today is through phishing. This method involves an email being tailored to look like it came from a trusted sender to gain access to a person's account and information such as passwords, usernames, mother's maiden name, Robux balance, etc. Another way that hackers hack into Roblox accounts is through using proxy sites. This method involves people using websites that offer their own proxies in order to hide their inputs and output information from the public eyes. People can hack a password by using the obtained information from other websites and then use an automated script to guess the password. This method is not only used for Roblox, but also for other accounts that are associated with games.

Builders Club Premium can be used in games greatly increasing the amount of Robux and/or XP a player earns by a given amount. If used, then Builder's Club is required to play those games. There are two types of premium features: content premium and currency premium. Content Premiums typically involves a single item or feature that changes the game mechanic, such as more life points and/or more room to build, or increased maximum health for monsters. Currency Premiums usually involve the addition of new items to the game that are only available through favorable conditions (for example, allowing players to purchase a specific item for Robux). Some Currency Premiums can also require membership in Builders Club.

ROBLOX does not allow players below the age of 13 than sign up for an account. This is because of the maturity level that ROBLOX expects all players to have. ROBLOX does not allow users to make profanity in the game and the server does not allow it, however there are many areas on the game and on their website that do, such as chat boxes in games. They have also recently added a filter button which blocks certain words from appearing in chat. This feature was created to block words that appear to be offensive and potentially harmful at times.[42]

On January 13th, 2021, ROBLOX implemented broader anti-fraud features called "Secure Trading." The system is designed to prevent fraud such as fake accounts/bots, selling stolen virtual currency and more. It is also designed to allow users to trade in a safer environment. [28]

Community: Roblox has an active community of players. A group of these players have joined together to create a group called ROBLOX Users as Leaders, or RUL. This group has made several YouTube videos on what they expect the future of ROBLOX to be. For example, there was a video on RO-NT (Roblox On New Technology) which was released in 2021. The main purpose of this is to improve ROBLOX so that it can

match the technological advances that have been made since 2021, including 3D technology and mobile platforms, such as Android and iOS.
